The Cuban archipelago is formed by the major Island, the Isle of Youth and around 4 195 keys and islets stretching over 110 992 km². This is an area of great biodiversity and various sea and land ecosystems. Its coastal water average temperature is 25°C. Sunny weather can be enjoyed about 330 days a year.

The Republic of Cuba has been politically and administratively divided into fifteen provinces, west to east in this order: Pinar del Río, Artemisa, Mayabeque, Havana, Matanzas, Cienfuegos, Villa Clara, Sancti Spiritus, Ciego de Ávila, Camagüey, Las Tunas, Holguín, Granma, Santiago de Cuba and Guantánamo. Southward, Isle of Youth special municipality is found.

Cuba has more than 300 natural beaches, unique for the cleanness and various shades of the water. A rich history more than 500 years old, is still alive in its majestic architecture, well preserved heritage in cities and other sites.

Genuinely authentic, it has a great cultural wealth and excellent cuisine. It also shows a wide well organized event calendar, and it is the ideal stage for weddings or unforgettable honeymoons.

This Island assures you great attractive bounties, being an exceptional place to fully share, over all, the warmest smile of its people.
